First information letter

Dear colleagues!

We invite you to take part in the scientific conference devoted
to the 75th anniversary of the FRC «Komi Science Centre, Ural Branch, RAS»

"SCIENCE IN THE REGIONAL SPACE OF MODERN RUSSIA AND FOREIGN COUNTRIES»

(Syktyvkar, FRC «Komi Science Centre, Ural Branch, RAS», November, 2019)

The conference is expected to consider a wide range of topical issues related to the historical experience and current trends in the development of scientific research in the regions of modern Russia and foreign countries, affecting both theoretical and applied aspects.

Scientists of research institutions, teachers of higher education institutions, representatives of state and public organizations whose activities are related to scientific research, graduate students, students of higher educational institutions are invited to participate.

The conference involves discussion of the following problems:

- Priority directions of modern research taking into account global and regional trends in the development of economy and science
- Interdisciplinary approaches in modern scientific research
- Problems of scientific development of Arctic and Subarctic territories
- History and experience of scientific study of regions in political, socio-economic and socio-cultural aspects
- Preservation, study, popularization of documentary scientific heritage
- Personality in the history of science

Applications will be accepted until 01.05.2019 on email address conf@frc.komisc.ru. Electronic registration for the conference on the Centre's website <http://www.komisc.ru> is also required. As a result of the conference a collection of works (with the inclusion in the RSCI system) will be prepared. Rules of registration are published on the Center's website. The deadline for submission of texts is 01.09.2019.

The Organizing Committee reserves the right to reject applications that do not correspond to the specified subject.

Travel and accommodation at the expense of the sending party.
